

ACW WE'RE HIRING!

ALCOHOLISM CENTER FOR WOMEN BRIEF DESCRIPTION

The Alcoholism Center For Women (ACW) has been a substance abuse treatment facility for women for over 50 years. Our residential treatment program began in 1974 and was the first program on the west coast to provide shelter and substance abuse for women. Over the years, ACW evolved into a gender responsive trauma informed evidenced-based drug and alcohol CARF accredited, ASAM certified, State licensed substance abuse facility. ACW has been selected 4 years in a row as one of the best addiction centers in the county! Our 32-bed residential, Intensive Outpatient Treatment, Outpatient Program, Contingency Management and Enhanced Care Management Programs all provide individualized patient centered treatment plans. Domestic Violence/Trauma Therapy, Family Therapy, Health and Wellness are all available for our clients to help them obtain and maintain sobriety and implement our mission is to empower women to make new choices for positive futures.

We are located in beautiful turn-of-the-century homes that are designated Los Angeles city monuments. Our buildings act as a beacon of hope for the women and surrounding Pico Union area of Los Angeles. We have a dedicated service history, a dynamic present - constantly changing to meet our clients' needs and challenges, and a hopeful future. We hope you will join our team.

RESIDENTIAL MANAGER

- Manager will create and implement outreach strategies to ensure the beds are filled.
- Manager will meet with staff weekly to ensure group and individual notes as well as and care coordination notes are entered into our Electronic Health Record system.
- Manager will help create a supportive trauma informed environment for clients and staff.
- Manager will ensure the facility is safe and clean and if crises occur are handled calmly and appropriately.
