Sustainability in Action at ACW!

We're excited to share that ACW has officially started composting! Under the guidance of our Master Gardener, Harriet - we're learning how to turn food scraps and natural waste into nutrient-rich soil for our on-site garden.

This is a big step toward our zero-waste goals and a greener future. Our clients are actively participating and thrilled to help grow fresh veggies while caring for the earth.

Stay tuned as our garden continues to flourish!

Celebrating Moms in Style 🌸

Our Mother's Day celebration kicked off Friday with heartfelt generosity. Thank you to Big Sunday and Crenshaw Christian Center for the beautiful clothing and bag donations!

The day continued with a peaceful Sound Bath session led by Dora, helping everyone relax and recharge. We closed out the evening with our "Be Beautiful" self-care experience — complete with hair dye, nail polish, foot soaks, and great music.

It was a joyful time to honor the strength, beauty, and spirit of the amazing mothers in our miracle house. 💕
