Celebrating New Beginnings: Baby Shower at the Miracle House

There were tears, laughter, and so much love in the room as we celebrated two of our expecting residents with a special baby shower. The moms-to-be were deeply moved, overwhelmed with emotion by the show of support surrounding them.

The afternoon was filled with delicious food, games, and thoughtful gifts to help welcome their little ones. It was a beautiful moment of connection and celebration!

Meet Holly the Therapy Dog

Holly, a sweet therapy dog who visits the Miracle House with her owner, Alex. Holly brings comfort, joy, and calm to the women each time she stops by. With her gentle spirit and affectionate nature, she quickly becomes a bright spot in our residents' days.

Whether she's offering quiet companionship or playful moments, Holly has a special way of lifting spirits and reminding everyone that healing can come in unexpected and adorable forms.

Creating Safe Spaces for Families

We are almost ready to unveil the exciting upgrades to our child-friendly spaces! These improvements are designed to create a safer, more welcoming environment for the children of our clients who visit our campus. From play areas to thoughtful enhancements, every detail has been made with care.

In the meantime, enjoy this sneak peek of some of the wonderful moments already happening!

Alcohol Awareness Month

April is recognized as Alcohol Awareness Month, a time to increase understanding, reduce stigma, and encourage conversations around alcohol use and recovery. At ACW, this mission continues all year long. Every day we witness how education, compassion, and access to care can transform lives.

Garden Guessing Game

Our garden is thriving, and one of our plants is absolutely overflowing! We'd love for you to take a guess! What do you think it is?

Here's a hint: It's a green veggie that grows fast. You can cook it for dinner or even sneak it into something sweet.

Send your guesses for a chance to get a shoutout on our social media!

Staff Spotlight: Barbara Washington, Outpatient Counselor

We are thrilled to celebrate Outpatient Counselor Barbara for reaching an incredible milestone - earning her Substance Use Counselor Certification! Her dedication, compassion, and commitment to the women she serves continue to inspire both clients and colleagues alike.

This achievement reflects not only her hard work, but also her deep passion for making a lasting impact in the lives of others through recovery and healing.

Congratulations, Barbara!
